Laurel & Hardy Mobiloil Socony Oil Ad Newspaper Clipping 1933

LAUREL & HARDY
"OIL'S WELL THAT ENDS WELL"

1 HARDY: "Our antique transportation gives signs of general unrest. Let's get out of here!"
LAUREL: "There's no gas around here. I have a quantity of power!"

2 LAUREL: "You thought to mention it? (Over his shoulder)"
HARDY: "Indeed I did. That's a genuine quantity of Mobilil at the next filling station will lighten our load."

3 HARDY: "Let the crankcase be filled with it and continue."
LAUREL: "Never more shall our lives be dominated by fuel prices for us." From now on—'s Mobilil for us!"

Why Mobiloil costs less than ordinary oil
Your car may not be old enough to act in a comedy—but don't let it act in the tragedy of high oil bills and shortened car life! Mobiloil for a year will actually cost you less, because it is double-range. It stands up at all speeds—fast or slow. You use less oil. And because you get full protection at all speeds, your car lasts longer! Change today to the world's largest-selling oil!
